Hosting and Support

- Easy to setup
- Free to try; \$150/year for hosting
- Guaranteed system requirements
- Unlimited storage and throughput
- Automatic updates and bugfixes
- Various support plans to suit your needs

What Others are Saying

- SFIAB has revolutionized how a science fair is administered.
- Devon Ross - Vancouver, BC
- I would not dream of running the judging without SFIAB, because it saves at least one week of work.
- Patrick Whippey - London, ON
- I used SFIAB this year for 2 science fairs in Massachusetts USA, and everyone loved it
- Peter Jalajas - Newburyport, MA
